CLEANING PLAN OF SLAUGHTER HOUSE OR ROOMS OF QUARTERING

CLEANING OF:	APLICACION	SECURITY	FREQUENCY	DOSE & TEMP. °C	CONTACT TIME MIN.
SLAUGHTER HOUSE & ROOMS OF QUARTERING (CPQ topfoam plus af)		 	DAILY	4%	20 minutes
				Room temperature	Rinse
SLAUGHTER HOUSE & ROOMS OF QUARTERING (CPQ topfoam acid)		 	MONDAY, WEDNESDAY, FRIDAY	4%	20 minutes
				Room temperature	Rinse
FLOORS & WALLS (CPQ topfoam plus af)		 	DAILY	4%	20 minutes
				Room temperature	Rinse

Observations: The application of **CPQ topfoam** product, will be uniformly and always from top to bottom left to right in the case of floors not to throw the foam in the same place and overloading, thus preventing it from sliding too fast and therefore not achieve adequate cleaning.
